

LISTEN. FIND IT. MARK IT. BINGO!

YOUR MONEY GAME NIGHT STARTS HERE

Ages 8–12 • Canadian money • 2–12 players plus a caller. Play at home, school, or a community program. Younger players can team up with an adult.

GET READY

Print one different card per player (pages 2–13). Print the caller cards (pages 14–18), cut them out, and shuffle them. Use the markers on page 19, buttons, or a pencil. Keep small pieces away from young children.

PLAY THE CLUES

Everyone marks the FREE middle square first. The caller reads only the clue, not the answer. Players find the matching word or amount. Some answers will not be on every card. Keep each called card aside so you can check the winner.

MAKE FIVE IN A ROW

Complete one horizontal, vertical, or diagonal line of five squares, including FREE when it falls in your line. Call “PINDAB BINGO!” The caller checks every marked answer in that line against the clues already called.

KEEP THE FUN GOING

Try two lines or a full card for a longer game. After a round, ask each player to explain one money word or show how they worked out a coin amount. No elimination or cash prizes needed.

PRINT YOUR WAY

Use Letter paper (8.5 × 11 inches), single-sided, at Actual Size / 100%. Colour gives the full PINDAB look; all game words also remain readable in black and white. Print only the pages you need.
